

film
distribution

by **Mylš**

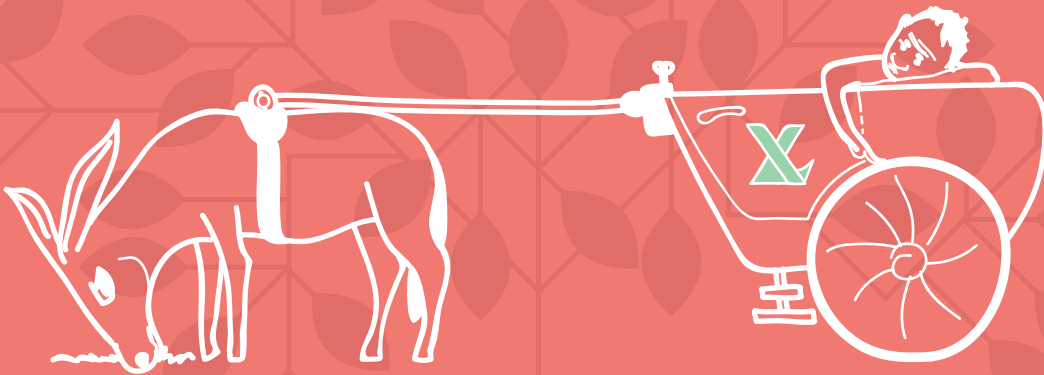

**This is how booker looks like when having no
automated booking & rights management system...**

**... since managing rights in spreadsheets,
manually uploading reports
or using old data bases makes life hard**

LACK OF AUTOMATIZATION AFFECTS DRAMATICALLY:

- ~ STAFF EXTRA COSTS
- ~ HUMAN FACTOR
- ~ LONG TERM EXECUTION AT EVERY STAGE

Myls

Make your life simple

- ~ ALL PROCESSES AUTOMATED
- ~ EASY TO USE INTERFACE
- ~ COST EFFECTIVE
- ~ HIGHLY EFFICIENT
- ~ ABILITY TO CUSTOMIZE

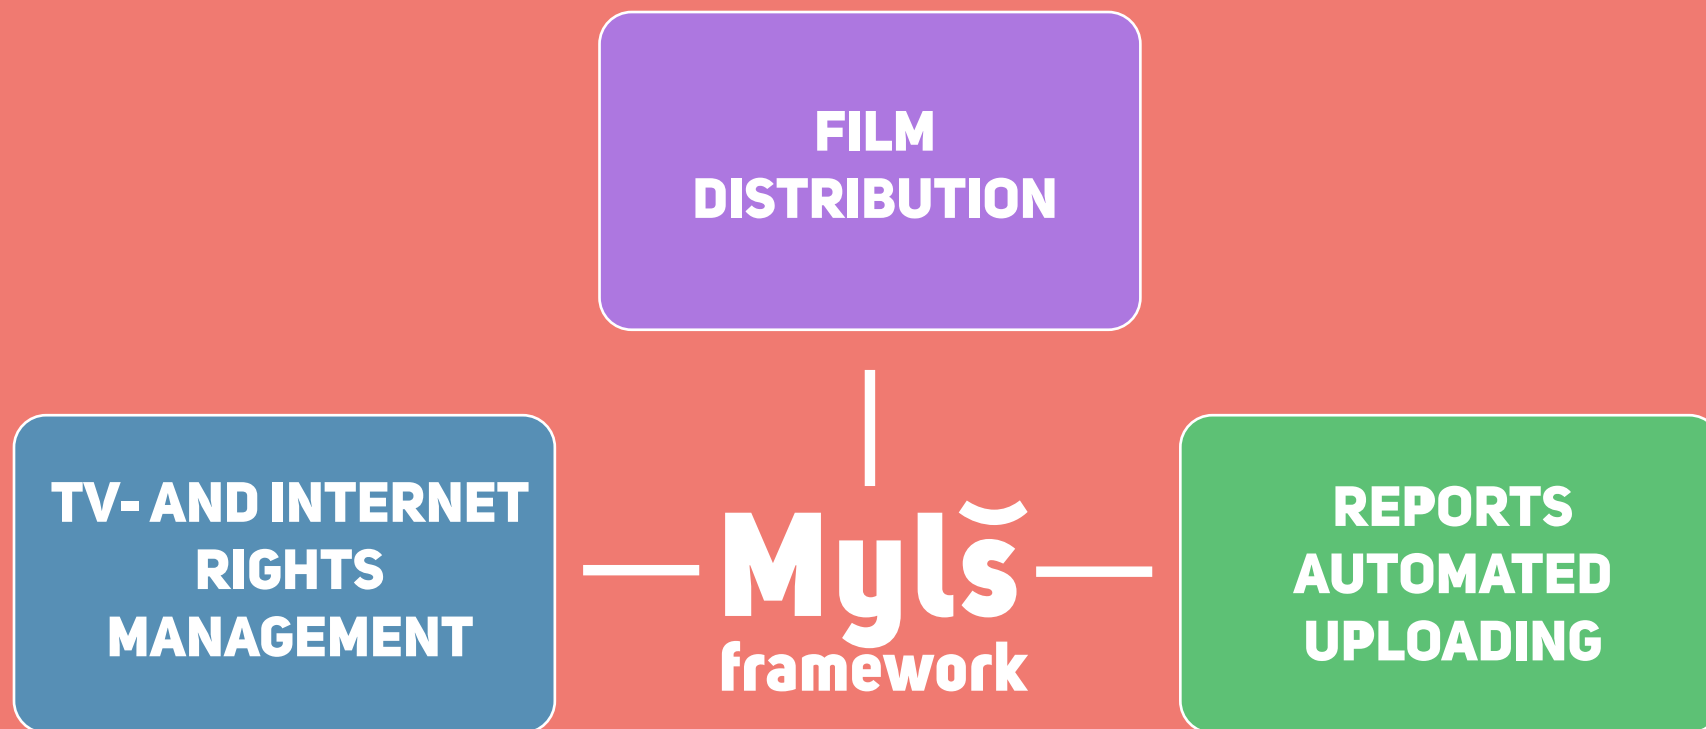

Mylš.film.distribution

Crossplatform SaaS for rights management and film distribution

- ~ multiuser platform with different access levels*
- ~ centralized data storage*
- ~ chain of rights, budgets and finances*
- ~ sales & distribution reports*
- ~ revenue sharing models management*
- ~ contract storage and management*
- ~ distribution calendars*
- ~ boxoffice*

Mylš.film.distribution
